DENTAL COUNCIL OF INDIA

(CONSTITUTED UNDER THE DENTISTS ACT, 1948)

No.DE-BDS(Gen)Students-2015/ 9874

Dated the 30 September, 2015

To,

The Principal of all Dental Colleges in the country

Sub: **Online filling of information relating to admissions at Dental Colleges in BDS Course for the academic session 2015-2016 – Reg.**

Sir/Madam,

I am directed to say that the Executive Committee of the DCI in its meeting held on 30th September 2015 at New Delhi considered and observed that in many States the counselling for admission in BDS Course are being held on last date of admission i.e. 30th September and the students are being allotted in late evening resulting delay of process of admissions in dental colleges and non uploading the details on DCI website on last date of admission.

The Executive Committee after discussion & deliberations decided that the **last date for uploading the details of students** admitted by the dental colleges in BDS Course for the academic session 2015-2016 be fixed for **7th October, 2015 midnight (2400 hrs)** so as to enable all dental college authorities to upload all the details of admitted students.

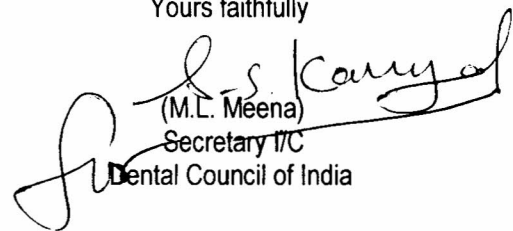

However, it is also pertinent to mention here that the **last date of admission in BDS Course for the academic session 2015-2016 is 30th September 2015** as prescribed in Time Schedule laid down by Hon'ble Supreme Court of India in para 31 of Mridul Dhar Vs. UOI (2005) 2 SSC 65.

In view of the above, the college authorities of all dental colleges are hereby directed to upload the details of the students, admitted in BDS Course at their dental institutions for the academic session 2015-2016, on DCI website, using their already allotted login credentials, by 7th October, 2015 midnight (2400 hrs), positively, beyond which the Dental Colleges will not be allowed to enter the students details on DCI website for this current academic session. Non receipt of this information within stipulated time will reflect on the recommendations to be made by the Council to the Central Government for grant of permission/recognition of the colleges for that academic year and / or subsequent years.

The Council may ask other supportive documents like Caste Certificate, 10+2 mark-sheet, details of Competitive Entrance Exam as and when it is required by the Council. In case of those students who have passed 10+2 from outside India, they are required to submit equivalence certificate issued by Association of Indian Universities whether they are academic credentials or not as per the Curriculum of Indian System.

The onus of furnishing true, correct and authentic information is upon the college concerned and in case of furnishing of any wrong/incorrect information it shall be open to DCI to initiate action as is permissible in law.

Yours faithfully

(M.L. Meena)
Secretary I/C
Dental Council of India
